## THE FOODIE KING

The Foodie King aka 《大胃王》 had ended successfully, congratulations to all the winners of the event.

We would like to thank our sponsors: Foodhwy, Marsquest and Chatime. Also, big credits to our co-host The Chinese Undergraduate Association (CUA)

Last but not least, this event wouldn't be so successful if it weren't for the supportive audience and participants!

## NEW SPONSOR!

We are delighted to introduce you to our newly-established sponsor, Marsquest. Starting from the Foodie King competition, Marsquest has become one of our sponsors.

MARSQUEST

Even though they are a newly-founded organization (July 2016), they are one of the most outsourcers for Ray Ban glasses when it comes to processing and add-ons. There is no doubt that they make one hella pair of fine sunglasses. You can use our promotion code: EHKSA15 to get a 15% off. Be sure to check them out on Facebook and Instagram.

## SA CUP

On November 20th, the SA Cup was held by the University of Toronto Hong Kong Student Association (UTHKSA). There were a total of 6 teams competing against each other for the title including our soccer team.

As our team worked through the knockout stage with 2 Wins (2-1 against University of Waterloo, 3-0 against Ryerson University), we eventually earned the trophy with a hard fought victory (1-0 against University of Toronto St. George).

Congratulations to our victorious soccer team. At the same time, we would like to thank the UTHKSA for organizing such an amazing event!
